About Us:

BTG is stemmed from Miracle Kids, an inclusive intervention and training centre. It was established with a goal to transform the lives of children and individuals with diverse needs. Further it has been evolved to bridge the gaps in skills of students and professionals to thrive in academics and career.

We are:

- ❖ Specialised in offering customised training services to Corporates and Schools
- ❖ Focussed on (Mental & Physical) Wellbeing and building professional skills to thrive in career
- ❖ Aimed to improve work efficiency through empowerment of knowledge and skills
- ❖ Flexible and accommodative of Client's training needs

FOUNDER

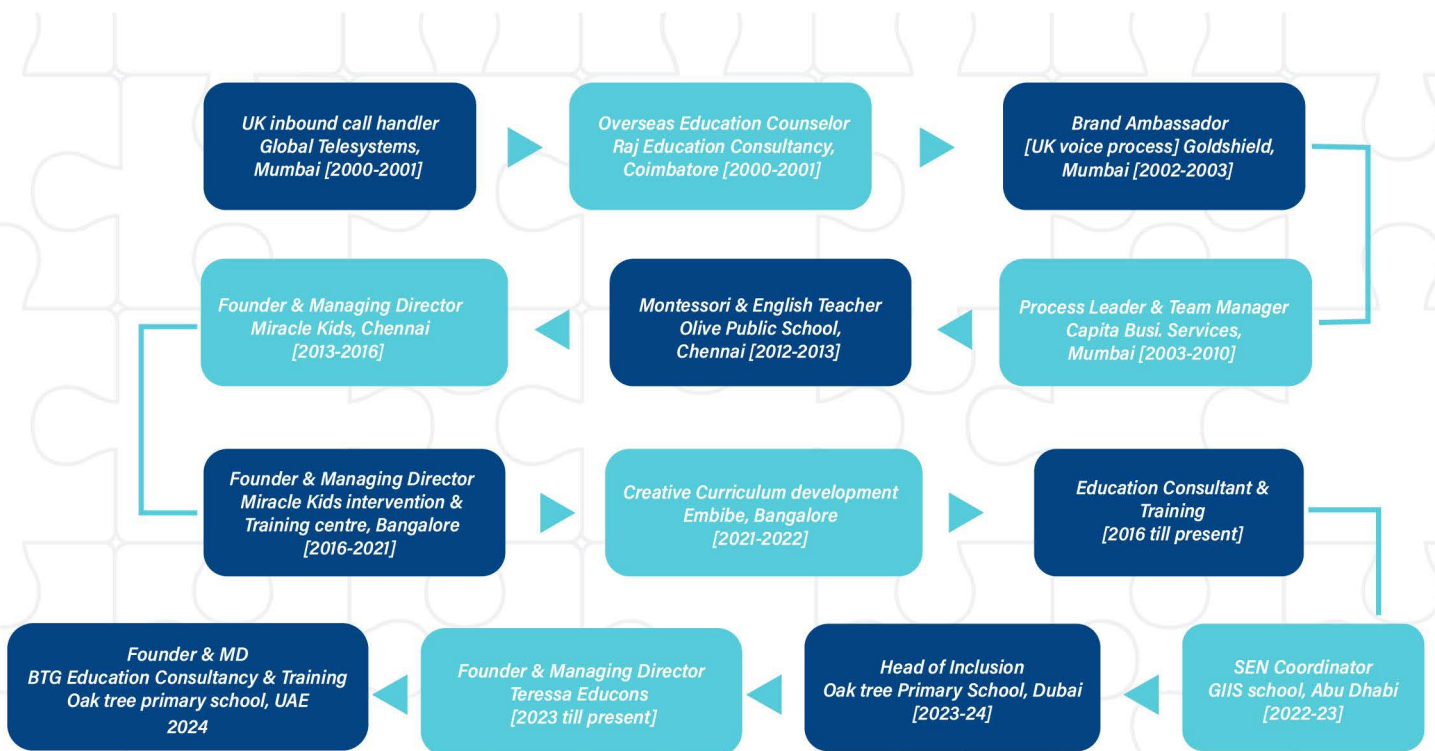

Smitha Paul

*Expert Educationist,
RCI licensed Special Educator
Leader, Consultant & Coach*

Introducing a beacon of dedication and expertise in the realm of training, with over two decades of invaluable global experience. With a passion for nurturing and empowering individuals with diverse abilities, she stands as a role model of motivation and inspiration for those who are career aspirants. Throughout her illustrious career, she has tirelessly championed the cause of empowering the professionals with knowledge, motivation and skills required to be successful in one's career as a trainer in various MNCs, as Consultant and coach to other institutions in India and as an international trainer for various Education institutions for Wellbeing and skills development. She's also a licensed Special Educator and approved Head of Inclusion by Education body of UAE. She has been a founder of Miracle Kids, an Inclusive intervention centre and Tereasa's Education Consultancy & Training Services for intervention and training needs for Schools and Corporates.
